Due to the restrictions placed on the Council as a result of the pandemic Coronavirus, this list will generate responses which represents the opinion of members of Grade Ruan Parish Council, but does not constitute a formal consultee response because the outcome will not be reached at a physical meeting at which the public could be present and where Councillors can legally vote. Members of the public are encouraged to submit their own comments online directly to the Planning Authority. Members of the public can submit comments on live planning applications via Cornwall Council's online planning portal as normal.
